CHINA CAPABLE
PUBLIC SECTOR
MASTERCLASS

5-9 August 2019

4-8 November 2019

Expand your global business acumen and accelerate your China knowledge. The China Capable Masterclass equips you with a cohesive set of China-related knowledge, expertise, and networks to make effective and efficient contributions to joined up agency outcomes and government priorities.

Learn first-hand from an exemplary pool of China experts from across business, academia and the public sector as they impart their deep knowledge, experience, and insight through facilitated discussions and scenarios based on real events.

.....

Are you a **public sector professional** who needs to think globally, nationally, or regionally about the New Zealand government's engagement with China?

The **China Capable Masterclass** is now recognised as an essential programme for developing New Zealand public sector capability. It is highly valuable to professionals working in any sector of central government in international or domestic affairs who **make decisions, shape policy, deliver services, and are impacted by China's growing influence in the world, in the Pacific region, and within New Zealand.**

Highly interactive 5-day Masterclass immerses public sector professionals in the complexities of engaging with China, working alongside New Zealand's leading China experts, recounting real events and developing cross-sector solutions to complex scenarios.
